

Flyers & Posters Ready For This Year's Living Advent Calendar

Street Posters and Flyers are ready for this year's Henley Living Advent Calendar and will be able to be found in all Calendar Venues, many local churches, shops and pubs and The Town Hall Information Centre.

They show a Map with all the Venues marked and the names and addresses of each of the evenings' Venues and Partners. This year these include Henley Shutters, COOK, Deep Clothing, The Argyll and Leander Club. They also give a reminder that every performance from Dec 1st – 24th is from 6.15 – 6.30pm, and that each performance is a surprise until the door or window opens!

The publicity materials and graphic design artwork have been designed by a team of students from Gillotts School, who undertook the project as part of The Henley Young Partnership's mini-work-experience initiatives. The team comprised of Megan Parker, Stephanie Barnes & Amy Lovell.

Their teacher of Business Studies Miss Sarah Price said "Having the opportunity to get students involved in a real life work experience task is crucial in developing their life long learning skills as well as giving them an immensely valuable boost to their future employability."

The Flyers and Window Posters for Venues and Partners have been printed and sponsored by The Higgs Group, and Sothebys International Realty are sponsoring the Street Posters.

The Living Advent Calendar itself is a unique joint initiative between The Henley Partnership and Henley Town Council, and other sponsors this year are Invesco Perpetual, The Head Partnership, Towergate Insurance and SODC.
